

# StarTech.com Cavo patch duplex in fibra modalità singola LC-LC 7 m

Marchio : StarTech.com

Codice prodotto: SMFIBLCLC7

Nome del prodotto : Cavo patch duplex in fibra modalità singola LC-LC 7 m

StarTech.com Cavo patch duplex in fibra modalità singola LC-LC 7 m  
StarTech.com Cavo patch duplex in fibra modalità singola LC-LC 7 m. Lunghezza cavo: 7 m, Tipo di fibra ottica: OS1, Connettore 1: LC, Connettore 2: LC, Diametro interno: 9 µm, Full duplex

| Caratteristiche                   |                                                  | Certificati di sicurezza            |          |
|-----------------------------------|--------------------------------------------------|-------------------------------------|----------|
| Lunghezza cavo *                  | 7 m                                              | Certificati di conformità           | RoHS, CE |
| Tipo di fibra ottica              | OS1                                              | Dimensioni e peso                   |          |
| Connettore 1 *                    | LC                                               | Peso                                | 94 g     |
| Connettore 2 *                    | LC                                               | Dati su imballaggio                 |          |
| Genere del connettore 1 *         | Maschio                                          | Larghezza imballo                   | 200 mm   |
| Genere del connettore 2 *         | Maschio                                          | Profondità imballo                  | 220 mm   |
| Colore del prodotto *             | Giallo                                           | Altezza imballo                     | 25 mm    |
| Full duplex                       | ✓                                                | Peso dell'imballo                   | 103 g    |
| Diametro interno                  | 9 µm                                             | Dati logistici                      |          |
| Diametro del rivestimento         | 125 µm                                           | Larghezza scatola principale        | 411 mm   |
| Struttura della modalità di fibra | Modalità singola                                 | Codice del Sistema Armonizzato (SA) | 85447000 |
| Velocità di trasferimento dati    | 100 Gbit/s                                       | Lunghezza del cartone principale    | 436 mm   |
| Materiale rivestimento *          | A bassa emissione di fumo e senza alogeni (LSZH) | Altezza scatola principale          | 407 mm   |
|                                   |                                                  | Quantità per cartone principale     | 120 pz   |
