

TP-Link TL-WN8200ND scheda di rete e adattatore WLAN 300 Mbit/s

Marchio : TP-Link  
Codice prodotto: TL-WN8200ND  
Nome del prodotto : TL-WN8200ND

Scheda di Rete Wireless USB High Power N300  
TP-Link TL-WN8200ND. Tecnologia di connessione: Wireless, Interfaccia host: USB, Interfaccia: WLAN.  
Velocità massima di trasferimento dati: 300 Mbit/s, Wi-Fi standard: Wi-Fi 4 (802.11n), Banda Wi-Fi: Banda singola (2.4 GHz). Colore del prodotto: Nero

| Connettività                             |                                                            | Requisiti di sistema                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
