

StarTech.com Adattatore Scheda di Rete Ethernet Gigabit PCI express PCIe NIC a 4 porte

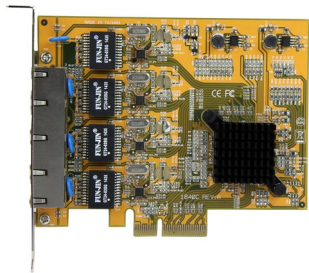

Marchio : StarTech.com

Codice prodotto: ST1000SPEX43

Nome del prodotto : Adattatore Scheda di Rete Ethernet Gigabit PCI express PCIe NIC a 4 porte

StarTech.com Adattatore Scheda di Rete Ethernet Gigabit PCI express PCIe NIC a 4 porte  
StarTech.com Adattatore Scheda di Rete Ethernet Gigabit PCI express PCIe NIC a 4 porte. Interno.  
Tecnologia di connessione: Cablato, Interfaccia host: PCI Express, Interfaccia: Ethernet. Velocità massima di trasferimento dati: 2000 Mbit/s

| Connettività                             |                                       | Condizioni ambientali                   |             |
|------------------------------------------|---------------------------------------|-----------------------------------------|-------------|
| Tecnologia di connessione *              | Cablato                               | Intervallo temperatura di funzionamento | 0 - 55 °C   |
| Interfaccia host *                       | PCI Express                           | Intervallo di temperatura               | -40 - 75 °C |
| Interfaccia *                            | Ethernet                              | Range di umidità di funzionamento       | 5 - 95%     |
| Quantità porte Ethernet LAN (RJ-45)      | 4                                     | Dimensioni e peso                       |             |
| Collegamento in rete                     |                                       | Larghezza                               | 120 mm      |
| Velocità massima di trasferimento dati * | 2000 Mbit/s                           | Profondità                              | 138 mm      |
| Standard di rete *                       | IEEE 802.3, IEEE 802.3u, IEEE 802.3ab | Altezza                                 | 18 mm       |
| Collegamento ethernet LAN                | ✓                                     | Peso                                    | 95 g        |
| Velocità trasferimento Ethernet LAN      | 10,1000,100 Mbit/s                    | Dati su imballaggio                     |             |
| Tecnologia di cablaggio                  | 10/100/1000BaseT(X)                   | Larghezza imballo                       | 209 mm      |
| Wake-on-LAN ready                        | ✓                                     | Profondità imballo                      | 145 mm      |
| Auto MDIX IEEE                           | ✗                                     | Altezza imballo                         | 40 mm       |
| Full duplex                              | ✓                                     | Peso dell'imballo                       | 184 g       |
| Supporto Jumbo Frames                    | ✓                                     | Dettagli tecnici                        |             |
| Design                                   |                                       | Certificati di conformità               | CE, RoHS    |
| Interno *                                | ✓                                     | Dati logistici                          |             |
| Chipset                                  | Realtek RTL8111G                      | Codice del Sistema Armonizzato (SA)     | 85176990    |
| Indicatori LED                           | Attività, Collegamento                | Larghezza scatola principale            | 446 mm      |
|                                          |                                       | Lunghezza del cartone principale        | 521 mm      |
|                                          |                                       | Altezza scatola principale              | 344 mm      |
|                                          |                                       | Quantità per cartone principale         | 50 pz       |
|                                          |                                       | Altre caratteristiche                   |             |
|                                          |                                       | Supporto controllo flusso               | ✓           |
|                                          |                                       | Colore della custodia                   | Giallo      |

Requisiti di sistema

|                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
